What went well... what didn't...

- Layout for drive-through was perfect
- Excellent volunteer support
- Great team effort. Most of the staff in planning committee are new to their positions
- Excellent support from school community
- Added interpreters which helped immensely (Arabic, Spanish, Somali)
- Smaller fair
- 1st time with this group, so numbers are a bit lower
- Expand outreach to Muslim Community
- Provide additional supports (difficult due to pandemic)
- Advertise more before event with all the schools and into Beaverton
- Include more of Washington County Services

SERVICES

What went well...

- Layout for event inside went well
- Good support from volunteers and set up
- Flyers posted to neighborhood helped in awareness of event
- Good increase of offerings from past events in this location, pandemic restrictions easing
- Addition of vision clinic was successful
- Add more services next time
- Quality of service interest was great
- Great entry support

What didn't...

- 1st time with this group without director. Need to review project plan for future events
- Need to expand outreach to neighborhood supportive housing locations
- Provide additional supports (difficult due to pandemic)
- Increase outreach to neighboring nonprofits
- Have nonprofits and vendors park in north lot next time during event

SERVICES

What went well...

- Layout for event inside went well
- Great overall volunteer support
- 1st time working with this group - pre fair organization and task breakdown went well
- Addition of service offerings outside of vaccines went well
- Quality of service and interest by community in services offerings was great

What didn't...

- Need to expand outreach to neighborhood next time
- Provide additional supports (difficult due to pandemic)
- Increase outreach to neighboring nonprofits
- Host on a non-holiday (Super Bowl)
- Have nonprofits and vendors park in lot across the street or neighborhood next time - parking was a struggle
