What worked and what should we change for next time?

- Event Fatigue - school had hosted events the two weeks before. Tried to discuss joining other events initially. Next time school is interested in this approach.
- Same time as PTA meeting - missed some check ins because guests were "only there for PTA"
- Expand kids activity offerings.
- Day One Tech table was a big hit
- Separate calmer space for food was good / nice to be able to serve families and nonprofit partners dinner as the event took place over the dinner hour.
- Principal loved the nonprofit education and resources. She would like to do it again.
